Course Policies

90% attendance is required to pass the course. In addition, you MUST call in if you are unable to attend; if you just do not show up for class, you will be required to retake the course. Since this is an experiential program, any coursework missed will need to be made up. Please get with your instructor upon return to class to arrange for makeup work. Because of the practical nature of this program, you will be required to leave your space clean and in proper order upon completion of each day's work. This will need to be accomplished outside of regular course hours if not completed within the 5 hour class time. Time management skills will be taught and reinforced throughout the course so that this cleanup requirement can be accomplished in a minimum amount of time. However, the exact amount of time required will vary depending on each individual's time management skill level. Cell phones can be used to do math, research a recipe, or listen to music. The music genre must be agreed upon by other classmates, otherwise you must use a single earbud to listen privately. Two earbuds or over the ear headphones are not allowed for safety reasons. If cell phones become a distraction they will be removed from the class.

High School Power School Grades: Quarter student grades will be determined by student progress percentage. Faculty will use the higher percentage of either 1) quarter progress, or 2) cumulative progress for the current training plan year. The progress percentage will be used with the grading scale to determine the minimum grade. High School Grade Scale: The following grading scale will be used to determine a letter grade from the progress percentage:

- | | | | |
|-----------------|-----------------|-----------------|-----------------|
| • A : 94 - 100% | • B : 83 - 86% | • C : 73 - 76% | • D : 63 - 66% |
| • A- : 90 - 93% | • B- : 80 - 82% | • C- : 70 - 72% | • D- : 60 - 62% |
| • B+ : 87 - 89% | • C+ : 77 - 79% | • D+ : 67 - 69% | • F : 0 - 59% |
