Course Policies

Prerequisites: Students must be 16 years old on the first day of class. Students must have a current CPR certification (The CPR course must have a hands on portion- Online only courses are not accepted) or ability to complete a course which is provided as part of the NA program Testing and Vaccine Requirements: Two PPD screenings (TB skin test) or Quantiferon Gold blood test; Hepatitis B (3 doses or a positive titer), Tdap immunization (within 10 years), 2 Varicella doses or positive titer, 2 MMR doses or positive titers; current season influenza vaccination (flu shot if clinicals are between October 1st and March 31), complete COVID-19 vaccination (Boosters not required) or signed exemption form. Documentation must be provided on Verified Credentials before attending clinicals or the end of the first term (if in high school) to remain in the course. Background Check through Verified Credentials Drug Screen submitted through Verified Credentials and completed at Workmed. Attendance: Southwest Tech requires 90 hours of in class attendance to complete this program. Students will need to come in and make up any hours they have missed. This can be arranged with the instructor. To complete the clinical portion of this course, students are required to attend 24 hours of clinicals in a long term care setting after completing the TENA 1100 coursework. Students will schedule clinicals as available. Every effort should be made to attend when signed up. If shifts need to be rescheduled please contact the instructor and change it ASAP on the sign up. Work hours do not count toward clinical hours even if a student does not get paid. Attire: Students attire or behavior must be work or school appropriate. Students may be asked to change their behavior and/or attire if not appropriate. Wearing scrubs is encouraged but not required for the classroom setting. Wearing scrubs is required for all clinical shifts. Below is a list of required attire for clinical experiences. If these requirements are not met, a student may be sent home from a clinical shift. Clean and pressed uniform (Scrubs any color) with student patch (left sleeve)-pant hems must NOT be touching the floor Comfortable, clean, close-toed shoes with clean and appropriate socks Hair may not impair vision and if longer than collar-length, must be pulled back and secured No extreme hair colors or styles Neat and clean nails not to exceed 1/4" length No acrylic, gel, overlays, or polish Only 2 earrings per ear; all other body piercings must not be visible or removed Visible body ink is permitted: offensive words or images that convey violence, profanity, or sexually explicit content must be covered at all times STECH Nursing Assistant student name badge (worn above waist level) Watch with a second hand (minimal jewelry if any) Black pen and notepad Confidentiality: Students must safeguard the privacy and security of all patients and residents while providing or observing patient care as well as maintain the confidentiality of all protected health information. Actual patient care situations are to be discussed only with the instructor and in an appropriate setting for learning purposes. Professionalism: Students are required to demonstrate professional behavior in all settings. This includes, and is not limited to, classrooms, labs, clinical opportunities, and when utilizing social media. Professionalism includes being on time and in class when scheduled and using appropriate language. Any form of bullying will not be tolerated and may result in dismissal from the program. Other Required Information Clinical Experience – Students will have 24 hrs. of clinical experiences which will take place after school and on weekends at the end of the course. For these out-of-school experiences, the student is responsible for transportation to and from the clinical setting. Students may not attend clinicals if required skills are not first completed in the classroom setting as scheduled with the instructor. Students are expected to prepare thoroughly for clinical experiences with professional appearance, dress, attitude, mannerisms, skills preparedness, and punctuality. Clinical experiences are mandatory for certification eligibility and make-up times for absences will not be allowed except under extreme circumstances. Two tardies = failing grade for clinical experiences Grading: EACH exam score must be 75% or higher, all skills must be passed off at 100%, and an overall grade of 78% must be maintained in order to attend clinical rotations, pass the course, and be approved to sit for the state certification exam. Cell Phone / Electronics Policy: Cell phones and other electronic devices should not be used in the clinical setting. They can easily violate confidentiality and distract from the clinical experience. Cell phone can only be used during short breaks in the break room. Absolutely no pictures or videos are to be taken in a facility at a clinical shift. No exceptions.

High School Power School Grades: Quarter student grades will be determined by student progress percentage. Faculty will use the higher percentage of either 1) quarter progress, or 2) cumulative progress for the current training plan year. The progress percentage will be used with the grading scale to determine the minimum grade. High School Grade Scale: The following grading scale will be used to determine a letter grade from the progress percentage:

- | | | | |
|-----------------|-----------------|-----------------|-----------------|
| • A : 94 - 100% | • B : 83 - 86% | • C : 73 - 76% | • D : 63 - 66% |
