

TEMA 1040 – Anatomy and Physiology (4 Credits)

Course Description

The Anatomy and Physiology course is designed to familiarize the student with the plan and structure of the human body, its function under normal, healthy conditions, and an introduction to the body's response to illness and disease. Instruction covers an overview of all organ systems, including diagnostic treatment modalities. Medical terms as they relate to the body and correct spelling and pronunciation are taught.

Course Objectives

- Locate and label major organs and structures in the body systems.
- Identify and state the function of the major anatomical components of the human body.
- Describe common disorders associated with each major anatomical component.
- Identify common pathology related to each body system.

Course Outline

- Anatomic Descriptors and Body Structure - A&P
- Anatomic Descriptors and Body Structure - HD
- Nervous, Senses, and Integumentary - A&P
- Nervous, Senses, and Integumentary - HD
- Musculoskeletal - A&P
- Musculoskeletal - HD
- Respiratory and Circulatory - A&P
- Respiratory and Circulatory - HD
- Lymphatic, Digestive, and Urinary - A&P
- Lymphatic, Digestive, and Urinary - HD
- Endocrine and Reproductive - A&P
- Endocrine and Reproductive - HD

Course Timeline

Introduction to Anatomy & Physiology: Crash Course Video

Chapter 06 Check Your Understanding 1: Human Body Basics

Chapter 06 Check Your Understanding 3: Genetics and Genetic Disorders

Chapter 06 Review Questions: Anatomic Descriptors, Body Structure, and Genetics

Chapter 06 Labeling: Body Planes

Chapter 06 Labeling: Anatomic Position with Directional References

Chapter 06 Labeling: Body Cavities

Chapter 06 Labeling: Regions of the Abdomen

Tissues: Crash Course Videos

Chapter 06: Application Activity: Anatomic Descriptors, Body Structure, and Genetics

Chapter 06 Quiz: Anatomic Descriptors and Fundamental Body Structure

Check point meeting- Module 1

Genetic Research

Anatomic Descriptors and Body Structures Disease Cards

Chapter 06 - Anatomic Descriptors and Fundamental Body Structure- Requires Respondus LockDown Browser

Check point meeting- Module 2

Nervous System: Crash Course Videos

Chapter 07 Check Your Understanding 1: Anatomy of the Nervous System

Chapter 07 Check Your Understanding 2: Physiology of the Nervous System

Chapter 07 Review Questions: The Nervous System

Chapter 07 Labeling: Parts of the Brain

Chapter 07 Labeling: Brain and Meninges

Chapter 07 A&P Video Quiz: The Nervous System

Chapter 07 Quiz: The Nervous System

Senses: Crash Course Videos

Chapter 08 Check Your Understanding 1: Anatomy of The Senses

Chapter 08 Check Your Understanding 2: Physiology of The Senses

Chapter 08 Review Questions: The Senses

Chapter 08 Labeling: Eye

Chapter 08 Labeling: Ear

Chapter 08 A&P Video Quiz: The Senses

Chapter 08 Quiz: The Senses

Integumentary System: Crash Course Videos

Chapter 09 Check Your Understanding 1: Anatomy of the Integumentary System

Chapter 09 Check Your Understanding 2: Physiology of the Integumentary System

Chapter 09 Review Questions: The Integumentary System

Chapter 09 Labeling: Skin

Chapter 09 A&P Video Quiz: The Skin

Chapter 09 Quiz: The Integumentary System

Check point meeting- Module 3

Neurologic Research

Chapter 07 - The Nervous System- Requires Respondus LockDown Browser

Blind and Deaf Experience

Chapter 08 - The Senses- Requires Respondus LockDown Browser

Skin lesions

Chapter 09 - The Integumentary System- Requires Respondus LockDown Browser

Nervous, Senses, and Integumentary Disease Cards

Check point meeting- Module 4

Skeletal System: Crash Course Videos

Chapter 10 Check Your Understanding 1: Anatomy of the Skeletal System

Chapter 10 Check Your Understanding 2: Physiology of the Skeletal System

Chapter 10 Review Questions: The Skeletal System

Chapter 10 Labeling: Skeleton

Chapter 10 Labeling: Spinal Column

Chapter 10 Labeling: Rib Cage

Chapter 10 A&P Video Quiz: The Skeletal System

Chapter 10 Quiz: The Skeletal System

Muscular System: Crash Course Videos

Chapter 11 Check Your Understanding 1: Anatomy of the Muscular System

Chapter 11 Check Your Understanding 2: Physiology of the Muscular System

Chapter 11 Review Questions: The Muscular System

Chapter 11 Labeling: Principal Muscles (Anterior)

Chapter 11 Labeling: Principal Muscles (Posterior)

Chapter 11 Labeling: Muscle Movement

Chapter 11 A&P Video Quiz: The Muscular System

Chapter 11 Quiz: The Muscular System

Check point meeting- Module 5

Fractures

Chapter 10 - The Skeletal System- Requires Respondus LockDown Browser

Muscular System Research

Chapter 11 - The Muscular System- Requires Respondus LockDown Browser

Musculoskeletal Disease Cards

Check point meeting- Module 6

The Heart: Crash Course Videos

Chapter 12 Check Your Understanding 1: Anatomy of the Respiratory System

Chapter 12 Check Your Understanding 2: Physiology of the Respiratory System

Chapter 12 Review Questions: The Respiratory System

Chapter 12 Labeling: Organs of the Respiratory System

Chapter 12 Labeling: Lungs

Chapter 12 Labeling: Paranasal Sinuses

Chapter 12 A&P Video Quiz: The Respiratory System

Chapter 12 Quiz: The Respiratory System

Blood: Crash Course Videos

Chapter 13 Check Your Understanding 1: Anatomy of the Cardiovascular System

Chapter 13 Check Your Understanding 2: Physiology of the Cardiovascular System

Chapter 13 Review Questions: The Cardiovascular System

Chapter 13 Labeling: Components of the Blood

Chapter 13 Labeling: Capillary Bed

Chapter 13 Labeling: Heart Valves (

Chapter 13 A&P Video Quiz: The Cardiovascular System

Chapter 13 Quiz: The Circulatory System

Respiratory System: Crash Course Videos

Blood Typing

Check point meeting- Module 7

Lung Sounds

Chapter 12 - The Respiratory System- Requires Respondus LockDown Browser

Circulatory System Drawing

Chapter 13 - The Cardiovascular System- Requires Respondus LockDown Browser

Respiratory and Circulatory Disease Cards

Check point meeting- Module 8

Lymphatic System: Crash Course Video

Immune System: Crash Course Videos

Chapter 14 Check Your Understanding 1: Anatomy of the Lymphatic/Immune System

Chapter 14 Check Your Understanding 2: Physiology of the Lymphatic/Immune System

Chapter 14 Review Questions: The Lymphatic/Immune System

Chapter 14 Labeling: Organs of the Immune System

Chapter 14 A&P Video Quiz: The Lymphatic/Immune System

Chapter 14 Quiz: The Lymphatic & Immune System

Digestive System: Crash Course Videos

Chapter 15 Check Your Understanding 1: Anatomy of the Digestive System

Chapter 15 Check Your Understanding 2: Physiology of the Digestive System

Chapter 15 Labeling: Process of Swallowing

Chapter 15 Labeling: Gallbladder and Bile Ducts

Chapter 15 Review Questions: The Digestive System

Chapter 15 A&P Video Quiz: The Digestive System

Chapter 15 Quiz: The Digestive System

Urinary System: Crash Course Videos

Chapter 16 Check Your Understanding 1: Anatomy of the Urinary System

Chapter 16 Check Your Understanding 2: Physiology of the Urinary System

Chapter 16 Review Questions: The Urinary System

Chapter 16 Labeling: Organs of the Urinary System

Chapter 16 A&P Video Quiz: The Urinary System

Chapter 16 Labeling: Kidneys

Chapter 16 Quiz: The Urinary System

Check point meeting- Module 9

Lymph Capillary

Allergy Research

Chapter 14 - The Immune System- Requires Respondus LockDown Browser

Digestive System T-shirt

Digestive System Research Assignment

Chapter 15 - The Digestive System- Requires Respondus LockDown Browser

Urinalysis Research

Chapter 16 - The Urinary System- Requires Respondus LockDown Browser

Lymphatic, Digestive, and Urinary Disease Cards

Check point meeting- Module 10

Endocrine System: Crash Course Videos

Chapter 17 Check Your Understanding 1: Anatomy of the Endocrine System

Chapter 17 Check Your Understanding 2: Physiology of the Endocrine System

Chapter 17 Review Questions: The Endocrine System

Chapter 17 Labeling: Endocrine System

Chapter 17 A&P Video Quiz: The Endocrine System

Chapter 17 Quiz: The Endocrine System

Reproductive System: Crash Course Videos

Chapter 18 Check Your Understanding 1: Anatomy of the Reproductive System

Chapter 18 Check Your Understanding 2: Fertilization, Pregnancy, and Contraception

Chapter 18 Review Questions: The Reproductive System

Chapter 18 Labeling: Male Reproductive System

Chapter 18 Labeling: Female Reproductive System

Chapter 18 A&P Video Quiz: The Reproductive System
Chapter 18 Quiz: The Reproductive System

Policies

Course Grading

Students must have a minimum of 80% on each module to pass off the module and all modules must be passed off before students are allowed to sign up for the next class. Each assignment is awarded points according to how well the submission follows the assignment's requirements. Written submissions are graded according to the college writing guidelines. Some assignments may be submitted more than once. If that is the case, the assignment will clearly state this. At the end of each module, students are asked to submit a Module Checkpoint Meeting showing that they have completed all module requirements.

High School Power School Grades: Quarter student grades will be determined by student progress percentage. Faculty will use the higher percentage of either 1) quarter progress, or 2) cumulative progress for the current training plan year.

Grade Scale: The following grading scale will be used to determine a letter grade.

A : 94 - 100%	A- : 90 - 93%	B+ : 87 - 89%	B : 83 - 86%
B- : 80 - 82%	C+ : 77 - 79%	C : 73 - 76%	C- : 70 - 72%
D+ : 67 - 69%	D : 63 - 66%	D- : 60 - 62%	F : 0 - 59%

Course Policies

Students must adhere to the Program Safety, Work Ethic, and Dress Code as outlined in the Medical Assistant Policies & Orientation. Attendance is important to your success in the Medical Assistant program. You are responsible for the schedule that you set at the beginning of your course and to sign in at the clock-in station at the beginning of your first hour and sign out after your last hour. You are allotted one 15-minute break during each 3-hour block of time, breaks should not be taken within the first or last 30 minutes of your schedule. Problems with signing in must be reported to an instructor as soon as possible. You must maintain 80% attendance in the program. Failure to meet the required attendance standard will result in academic corrective action being taken. If you are going to be absent, communication with the instructor is required to set up time to make up the time missed. This makeup time will be scheduled at the convenience of the instructors and the availability of the classroom and clinic. If you do not have a schedule for ten (10) consecutive days, you will be withdrawn from Southwest Tech. Students are expected to complete coursework according to the scheduled amount of hours designated for the course. All students in the program must stay on task and maintain a minimum 67% progress to retain financial aid eligibility. Failure to meet these requirements shall result in the student completing an Academic Intervention Plan with the Medical Assistant program leadership team and possibly academic warning, probation, and withdrawal from the program if not brought up by the end of each quarter. Cell phones should be on silent and are not allowed in the clinic area. Be courteous to your classmates and take phone calls out in the hall. Excessive cell phone use can hinder progress.

Additional Information

InformaCast Statement: Southwest Tech uses InformaCast to ensure the safety and well-being of our students. In times of emergency, such as weather closures and delays, this app allows us to promptly deliver notifications directly to your mobile devices. To stay informed and receive real-time updates, we encourage all students to sign up for notifications. Your safety is our priority, and staying connected ensures a swift response to any unforeseen circumstances. More information and directions for signing up are available at: <https://stech.edu/emergency-notifications/>

Internet Acceptable Use Policy: The student is expected to review and follow the Southwest Technical College Internet Safety Policy at: <https://stech.edu/students/policies/>

Student Code of Conduct Policy: The student is expected to review and follow the Southwest Technical College Student Code of Conduct Policy at: <https://stech.edu/students/policies/>

Accommodations: Students with medical, psychological, learning, or other disabilities desiring accommodations or services under ADA, must contact the Student Services Office. Student Services determines eligibility for and authorizes the provision of these accommodations and services. Students must voluntarily disclose that they have a disability, request an accommodation, and provide documentation of their disability. Students with disabilities may apply for accommodations, based on an eligible disability, through the Student Services office located at 757 W. 800 S., Cedar City, UT 84720, and by phone at (435) 586-2899. No diagnostic services are currently available through Southwest Technical College.

Safety and Building Maintenance: The College has developed and follows a variety of plans to ensure the safe and effective operation of its facilities and programs. The following plans are available online: 1) Facilities Operations and Maintenance Plan; 2) Technical Infrastructure Plan; and 3) Health and Safety Plan.

Withdrawals and Refunds: Please refer to the Southwest Technical College Refund Policy at: <https://stech.edu/students/policies/>

Any high school or adult student, who declares a technical training objective is eligible for admission at Southwest Technical College (Southwest Tech). Program-specific admissions requirements may exist and will be listed on the Southwest Tech website. A high school diploma or equivalent is not required for admission but is mandatory for students seeking Title IV Federal Financial Aid.

Non-Discriminatory Policy: Southwest Technical College affirms its commitment to promote the goals of fairness and equity in all aspects of the educational enterprise, and bases its policies on the idea of global human dignity.

Southwest Tech is committed to a policy of nondiscrimination. No otherwise qualified person may be excluded from participation in or be subjected to discrimination in any course, program or activity because of race, age, color, religion, sex, pregnancy, national origin or disability. Southwest Technical College does not discriminate on the basis of sex in the education programs or activities that it operates, as required by Title IX and 34 CFR part 106. The requirement not to discriminate in education programs or activities extends to admission and employment. Inquiries about Title IX and its regulations to STECH may be referred to the Title IX Coordinator, to the Department of Education, and/or to the Office for Civil rights.

If you believe you have experienced discrimination or harassment on our campus, please contact the Title IX Coordinator, Cory Estes: cestes@stech.edu, (435) 865-3938.

For special accommodations, please contact the ADA Coordinator, Cyndie Tracy: ctracy@stech.edu, (435) 865-3944.
