

TEMA 1050 – Pharmacology (3 Credits)

Course Description

The Pharmacology course familiarizes the student with pharmaceuticals. Instruction includes commonly prescribed medications, trade and generic names, mode of action, side effects, and usual doses. Concepts covered include the proper administration of oral, injectable, and non-injectable medications. There will be a review of the math skills required to perform medical math conversions and dosage calculations.

Course Objectives

- Demonstrate calculation of basic mathematical concepts and units of measurement as related to the ambulatory care setting.
- Describe commonly prescribed medications uses, names, classifications, and risks.
- List and explain the rights of medication administration.
- Identify and interpret common medication abbreviations.
- Demonstrate the proper handling and administration of prescriptions and medications.

Course Outline

- Pharmacology Fundamentals
- Measurement Systems and Dosage Calculations
- Administering Oral and Noninjectable Medications
- Administering Injections and Immunizations

Textbook & Reading Materials

Medical Assisting: Administrative & Clinical Competencies, 10th ed. (ISBN: 9798214113586)

Assignments & Assessments

Welcome

Syllabus and Course Agreement

Course Timeline

Chapter 49 Check Your Understanding 1: Drug Categories, Classifications, Names, and Forms

Chapter 49 Check Your Understanding 2: Prescriptions, Storage, and Compliance

Chapter 49 Application Activity: Pharmacology Fundamentals

Chapter 49 MOSS 4.0 Assessment: Preparing an Electronic Prescription (Bachmayer)

Chapter 49 MOSS 4.0 Assessment: Preparing an Electronic Prescription (Egger)

Chapter 49 MOSS 4.0 Assessment: Preparing Electronic Prescriptions (Lorenzo)

Skill - Prepare a Prescription and Call in to Pharmacy Examples

Skill Reflection 1 - Prepare a Prescription and Call in to Pharmacy

Skill Reflection 2 - Prepare a Prescription and Call in to Pharmacy

Skill Reflection 3 - Prepare a Prescription and Call in to Pharmacy

Prepare a Prescription and Call in to Pharmacy Pass-off

Chapter 49 MOSS 4.0 Assessment: ADVANCED Preparing an Electronic Prescription (Berger)

Chapter 49 MOSS 4.0 Assessment: Printing a Prescription (Fransson)

Chapter 49 MOSS 4.0 Assessment: ADVANCED Printing a Prescription (Wolf)

Chapter 49 Critical Thinking: Handling Medications Over the Counter Medications Worksheet

Chapter 49 Review Questions: Pharmacology Fundamentals

Chapter 49 Quiz: Pharmacology Fundamentals

Chapter 49 - Pharmacology Fundamentals- Requires Respondus LockDown Browser

Drug Cards 1-25

Check point meeting- Module 1

Chapter 50 Check Your Understanding 1: Systems of Measurement and Basic Math

Chapter 50 Check Your Understanding 2: Dosage Calculations

Calculate Proper Dosages of Medication for Administration Worksheet

Chapter 50 Application Activity: Measurement Systems, Basic Mathematics, and Dosage Calculations

Chapter 50 Critical Thinking (with Video): The Metric System and Conversions

Chapter 50 Review Questions: Measurement Systems, Basic Mathematics, and Dosage Calculations

Chapter 50 Quiz: Measurement Systems, Basic Mathematics, and Dosage Calculations

Chapter 50 - Measurement Systems, Basic Mathematics, and Dosage Calculations- Requires Respondus LockDown Browser

Drug Cards 26-50

Check point meeting- Module 2

Chapter 51 Check Your Understanding 1: Medication Documentation

Chapter 51 Check Your Understanding 2: Medication Administration

Chapter 51 MOSS 4.0 Assessment: Administering Oral Medications (Ramirez)

Skill - Prepare and Administer Oral Medication Video

Skill Reflection 1 - Prepare and Administer Oral Medication

Skill Reflection 2 - Prepare and Administer Oral Medication

Skill Reflection 3 - Prepare and Administer Oral Medication

Prepare and Administer Oral Medication Skill Pass-Off

Chapter 51 Application Activity: Administering Medications

Skill - Administer Eyedrops and Instill Drops in the Ears Videos

Skill Reflection 1 - Administer Eyedrops

Skill Reflection 2 - Administer Eyedrops

Skill Reflection 3 - Administer Eyedrops

Administer Eyedrops Skills Pass-Off

Skill Reflection 1 - Instill Drops in the Ears

Skill Reflection 2 - Instill Drops in the Ears

Skill Reflection 3- Instill Drops in the Ears

Instill Drops in the Ears Skill Pass-Off

Chapter 51 Critical Thinking: Medication Accuracy and Documentation

Chapter 51 Review Questions: Administering Oral and Noninjectable Medications

Chapter 51 Quiz: Administering Oral and Noninjectable Medications

Chapter 51 - Administering Oral and Noninjectable Medications- Requires Respondus LockDown Browser Drug Cards 51-75

Check point meeting- Module 3

Chapter 52 Check Your Understanding 1: Administering Injections

Chapter 52 Check Your Understanding 2: Immunizations

Chapter 52 Virtual Skills: Administering Injections

Chapter 52 Virtual Skills Quiz: Administering Injections

Skill - Preparing to Administer Injections Videos

Skill Reflection 1 - Withdraw Medication from an Ampule

Skill Reflection 1 - Prepare Medication from a Multi- or Single-Dose Vial
Skill Reflection 1 - Mix Two Medications in One Syringe
Skill Reflection 1 - Reconstitute a Powder Medication
Skill Reflection 2 - Withdraw Medication from an Ampule
Skill Reflection 2 - Prepare Medication from a Multi- or Single-Dose Vial
Skill Reflection 2 - Reconstitute a Powder Medication
Skill Reflection 2 - Mix Two Medications in One Syringe
Skill Reflection 3 - Withdraw Medication from an Ampule
Skill Reflection 3 - Reconstitute a Powder Medication
Skill Reflection 3 - Prepare Medication from a Multi- or Single-Dose Vial
Skill Reflection 3 - Mix Two Medications in One Syringe
Withdraw Medication from an Ampule Skill Pass-Off
Prepare Medication from a Multi- or Single-Dose Vial Skill Pass-Off
Reconstitute a Powder Medication Skill Pass-Off
Mix Two Medications in One Syringe Skill Pass-Off
Chapter 52 MOSS 4.0 Assessment: Administering Parenteral Medications (Willaim)
Chapter 52 Critical Thinking (with Video): Intramuscular and Z-Track Injections
Skill - Practice Injection Angles
Schedule Your Final Scenario
Skill - Injections and Immunizations Videos
Skill Reflection 1 - Administer an Intradermal Injection
Skill Reflection 2 - Administer an Intradermal Injection
Skill Reflection 3 - Administer an Intradermal Injection
Skill Reflection 1 - Administer a Subcutaneous Injection
Skill Reflection 2- Administer a Subcutaneous Injection
Skill Reflection 3 - Administer a Subcutaneous Injection

Skill Reflection 1 - Administer an Intramuscular Deltoid Injection
Skill Reflection 2 - Administer an Intramuscular Deltoid Injection
Skill Reflection 3 - Administer an Intramuscular Deltoid Injection
Skill Reflection 1 - Administer an Intramuscular Gluteal Injection
Skill Reflection 2 - Administer an Intramuscular Gluteal Injection
Skill Reflection 3- Administer an Intramuscular Gluteal Injection
Skill Reflection 1 - Administer an Intramuscular Ventrogluteal Injection
Skill Reflection 1 - Administer an Intramuscular Injection by Z-Track Method
Skill Reflection 2 - Administer an Intramuscular Injection by Z-Track Method
Skill Reflection 3 - Administer an Intramuscular Injection by Z-Track Method
Case Studies for Adult Immunizations
Chapter 52 Review Questions: Administering Injections and Immunizations
Chapter 52 Quiz: Administering Injections and Immunizations
Drug Cards 76-100
Chapter 52 - Administering Injections and Immunizations- Requires Respondus LockDown Browser
Check point meeting- Module 4
Professionalism Evaluation
Skills List
Final Scenario

Subject to change. Please consult your Canvas course for the most current instructions and updates.

Classroom Hours

Mo, Tu, W, Th, Fr

8:00 AM - 11:00 AM

12:00 PM - 3:00 PM

Policies

Course Grading

Students must have a minimum of 80% on each module to pass off the module and all modules must be passed off before students are allowed to sign up for the next class. Each assignment is awarded points according to how well the submission follows the assignment's requirements. Written submissions are graded according to the college writing guidelines. Some assignments may be submitted more than once. If that is the case, the assignment will clearly state this. At the end of each module, students are asked to submit a Module Checkpoint Meeting showing that they have completed all module requirements.

High School Power School Grades: Quarter student grades will be determined by student progress percentage. Faculty will use the higher percentage of either 1) quarter progress, or 2) cumulative progress for the current training plan year.

Grade Scale: The following grading scale will be used to determine a letter grade.

A : 94 - 100%	A- : 90 - 93%	B+ : 87 - 89%	B : 83 - 86%
B- : 80 - 82%	C+ : 77 - 79%	C : 73 - 76%	C- : 70 - 72%
D+ : 67 - 69%	D : 63 - 66%	D- : 60 - 62%	F : 0 - 59%

Course Policies

Students must adhere to the Program Safety, Work Ethic, and Dress Code as outlined in the Medical Assistant Policies & Orientation. Attendance is important to your success in the Medical Assistant program. You are responsible for the schedule that you set at the beginning of your course and to sign in at the clock-in station at the beginning of your first hour and sign out after your last hour. You are allotted one 15-minute break during each 3-hour block of time, breaks should not be taken within the first or last 30 minutes of your schedule. Problems with signing in must be reported to an instructor as soon as possible. You must maintain 80% attendance in the program. Failure to meet the required attendance standard will result in academic corrective action being taken. If you are going to be absent, communication with the instructor is required to set up time to make up the time missed. This makeup time will be scheduled at the convenience of the instructors and the availability of the classroom and clinic. If you do not have a schedule for ten (10) consecutive days, you will be withdrawn from Southwest Tech. Students are expected to complete coursework according to the scheduled amount of hours designated for the course. All students in the program must stay on task and maintain a minimum 67% progress to retain financial aid eligibility. Failure to meet these requirements shall result in the student completing an Academic Intervention Plan with the Medical Assistant program leadership team and possibly academic warning, probation, and withdrawal from the program if not brought up by the end of each quarter. Cell phones should be on silent and are not allowed in the clinic area. Be courteous to your classmates and take phone calls out in the hall. Excessive cell phone use can hinder progress.

Additional Information

InformaCast Statement: Southwest Tech uses InformaCast to ensure the safety and well-being of our students. In times of emergency, such as weather closures and delays, this app allows us to promptly deliver notifications directly to your mobile devices. To stay informed and receive real-time updates, we encourage all students to sign up for notifications. Your safety is our priority, and staying connected ensures a swift response to any unforeseen circumstances. More information and directions for signing up are available at: <https://stech.edu/emergency-notifications/>

Internet Acceptable Use Policy: The student is expected to review and follow the Southwest Technical College Internet Safety Policy at: <https://stech.edu/students/policies/>

Student Code of Conduct Policy: The student is expected to review and follow the Southwest Technical College Student Code of Conduct Policy at: <https://stech.edu/students/policies/>

Accommodations: Students with medical, psychological, learning, or other disabilities desiring accommodations or services under ADA, must contact the Student Services Office. Student Services determines eligibility for and authorizes the provision of these accommodations and services. Students must voluntarily disclose that they have a disability, request an accommodation, and provide documentation of their disability. Students with disabilities may apply for accommodations, based on an eligible disability, through the Student Services office located at 757 W. 800 S., Cedar City, UT 84720, and by phone at (435) 586-2899. No diagnostic services are currently available through Southwest Technical College.

Safety and Building Maintenance: The College has developed and follows a variety of plans to ensure the safe and effective operation of its facilities and programs. The following plans are available online: 1) Facilities Operations and Maintenance Plan; 2) Technical Infrastructure Plan; and 3) Health and Safety Plan.

Withdrawals and Refunds: Please refer to the Southwest Technical College Refund Policy at: <https://stech.edu/students/policies/>

Any high school or adult student, who declares a technical training objective is eligible for admission at Southwest Technical College (Southwest Tech). Program-specific admissions requirements may exist and will be listed on the Southwest Tech website. A high school diploma or equivalent is not required for admission but is mandatory for students seeking Title IV Federal Financial Aid.

Non-Discriminatory Policy: Southwest Technical College affirms its commitment to promote the goals of fairness and equity in all aspects of the educational enterprise, and bases its policies on the idea of global human dignity.

Southwest Tech is committed to a policy of nondiscrimination. No otherwise qualified person may be excluded from participation in or be subjected to discrimination in any course, program or activity because of race, age, color, religion, sex, pregnancy, national origin or disability. Southwest Technical College does not discriminate on the basis of sex in the education programs or activities that it operates, as required by Title IX and 34 CFR part 106. The requirement not to discriminate in education programs or activities extends to admission and employment. Inquiries about Title IX and its regulations to STECH may be referred to the Title IX Coordinator, to the Department of Education, and/or to the Office for Civil rights.

If you believe you have experienced discrimination or harassment on our campus, please contact the Title IX Coordinator, Cory Estes: cestes@stech.edu, (435) 865-3938.

For special accommodations, please contact the ADA Coordinator, Cyndie Tracy: ctracy@stech.edu, (435) 865-3944.
