

Course Description

Clinical Learning I provides safe off-campus practice-learning environments where students will transfer and apply the knowledge, skills, and behaviors acquired in the classroom and skills lab. With supervision and prompting, students will begin providing care for adults with commonly occurring problems as well as with the elderly. With a focus on health assessment and wellness, students will begin applying the fundamental skills and concepts of nursing. The professional standards of AACN provide the context for this course to guide student learning and provide meaningful purpose.

Course Objectives

- Demonstrate basic communication and collaboration skills when involving clients in developing nursing care plans.
- Demonstrate basic nursing skills while providing safe client care.
- Utilize basic techniques of effective and efficient communication with clients, families, and team members.
- Demonstrate use of evidence-based practice in providing care to assigned clients.
- Explain quality improvement activities clinical sites have developed for nursing staff.
- Show basic use of informatics to gather data in assessment of clients.
- Make use of the nursing process to develop a nursing care plan.

Course Outline

- Orientation
- Patient-centered Care
- Safety
- Teamwork and Collaboration
- Evidence-based Practice
- Quality Improvement
- Informatics
- Staff Communication
- Course Evaluation

Assignments & Assessments

Orientation	Clinical Paperwork Head-to Toe Assessment
Level I Clinical Rotation.xlsx	Clinical Judgment Plan of Care
Clinical Meeting Area Instructions.docx	Teamwork and Collaboration
Clinical Faculty Contact Sheet.pdf	Clinical Rotation Goal
Orientation Participation	Evidence-Based Practice in Nursing Article (about a 5 minute read)
Orientation Participation	Evidence-Based Practice in Nursing
Orientation Participation	Participation
Grading Rubrics	Clinical Evaluation Tool
Assignment Submission Schedule	Participation
Post Conference in Discussions	Clinical Evaluation Tool
Midterm Evaluation	Post Conference
Final Evaluation	Clinical Paperwork Head-to Toe Assessment
Clinical Paperwork - Head to Toe Assessment.docx	Midterm Evaluation Friendly Reminder
Clinical_Judgment_ Worksheet.docx	Clinical Judgment Plan of Care
Clinical_Judgment_ Worksheet_ Exemplar.docx	Quality Improvement and You
Hypoglycemia	Clinical Rotation Goal
Clinical_Judgment_ Worksheet Exemplar.docx	What is Healthcare Informatics
Clinical_Judgment_ Worksheet (2).docx	Participation
Pain Example	Clinical Evaluation Tool
NANDA.pdf	Participation
Iniurv Reflection	Clinical Evaluation Tool
Medication Error Reflection	Post Conference
Focused_Assessment_Dialysis_Clinical_Rotation (1).docx	Clinical Paperwork Head-to Toe Assessment
Condensed_Early Intervention_Assessment_ Guide.docx	Staff Communication
Clinical Rotation Goal	Clinical Rotation Goal
Patient-Centered Care Video	Participation
Participation	Clinical Evaluation Tool
Clinical Evaluation Tool	Participation
Post Conference	Clinical Evaluation Tool
Clinical Paperwork Head-to Toe Assessment	Post Conference
Clinical Rotation Goal	Final Reflective Essay
National Patient Safety Goals	Practical Nursing Clinical Experience Site Evaluation
Participation	Form.pdf
Clinical Evaluation Tool	Upload Clinical Site Evaluations Here
Participation	Course Evaluation
Clinical Evaluation Tool	
Post Conference

Instructor Contact Information

Patricia Weller — pweller@stech.edu

Office Hours: By appointment

Email is the preferred method of communication; you will receive a response within 72 hours during regular business hours.

Canvas Information

Canvas is where course content, grades, and communication will reside for this course.

- Canvas URL: stech.instructure.com
 - For Canvas passwords or any other computer-related technical support contact Student Services.
 - For Regular Hours and Weekdays call (435) 586 - 2899
 - For After Hours and Weekends call (435) 865 - 3929 (Leave a message if no response)
-

Policies

Course Policies

Instructor Information and Course Requirements: Professionalism, client confidentiality, and eagerness to learn are key aspects for success in this course. A positive professional attitude is essential. Students are expected to protect the health information of the clients they observe or to whom they provide care. Client situations are to be discussed in a private area with the appropriate nurse, health care provider, or PN faculty member. Assignments for each clinical rotation are to be completed by the due date, and electronically submitted via the Canvas portal. The student must obtain a score of 80% or better on all assignments. This Clinical Learning course requires 135 hours of work-based learning. The hours will be documented and signed off by the clinical coordinator.

Grading: A cumulative average of 80% or better is required on all course requirements. Evaluation methods include assignments (50%), participation (25%), and clinical performance evaluations (25%). Late assignments receive a 5% deduction per day. I have my Canvas settings to automatically deduct the late points. Late assignments are not accepted seven days after the submission deadline. Grading Scale: A 93-100% A-90-92 B+87-89 B 83-86 B-80-82% Failure 79% or below

Attendance: The exact hours and dates of your clinical courses may vary depending on which site or hospital you are assigned, but they are typically 8-12 hours long and are both A.M. and P.M. shifts. Students are not allowed to work 8 hours prior to any clinical shift.

Within each academic term, students are required to fulfill the 90-hour clinical hour requirement. Students are allowed to reschedule a maximum of two clinical shifts: Rescheduling clinical hours is dependent on the clinical site availability. Please note that clinical site availability is becoming increasingly difficult to obtain; every effort should be made to attend each scheduled shift.

Exceeding this limit by requesting additional rescheduled shifts will not be accommodated, resulting in the inability to meet the mandatory 90-hour clinical requirement and, consequently, course failure.

In the event of an absence, the student is responsible for contacting the clinical faculty member assigned to that shift and Patricia Weller {Clinical Coordinator} to arrange a clinical makeup. Note: clinical makeups are increasingly hard to schedule and dependent on clinical faculty and facility availability. Therefore, alternative learning assignments may be assigned.

Cell Phone / Electronics: See Practical Nursing Orientation Guide.

Industry Environment: The environment is a classroom setting with varied methods of instruction. Group projects and presentations are part of the curriculum. Laptop computers are required to access the electronic library and a host of other learning modalities. The majority of the time spent in the classroom will be sitting, with scheduled breaks as the lesson plan allows.

Additional Information

InformaCast Statement: Southwest Tech uses InformaCast to ensure the safety and well-being of our students. In times of emergency, such as weather closures and delays, this app allows us to promptly deliver notifications directly to your mobile devices. To stay informed and receive real-time updates, we encourage all students to sign up for notifications. Your safety is our priority, and staying connected ensures a swift response to any unforeseen circumstances. More information and directions for signing up are available at: <https://stech.edu/emergency-notifications/>

Internet Acceptable Use Policy: The student is expected to review and follow the Southwest Technical College Internet Safety Policy at: <https://stech.edu/students/policies/>

Student Code of Conduct Policy: The student is expected to review and follow the Southwest Technical College Student Code of Conduct Policy at: <https://stech.edu/students/policies/>

Accommodations: Students with medical, psychological, learning, or other disabilities desiring accommodations or services under ADA, must contact the Student Services Office. Student Services determines eligibility for and authorizes the provision of these accommodations and services. Students must voluntarily disclose that they have a disability, request an accommodation, and provide documentation of their disability. Students with disabilities may apply for accommodations, based on an eligible disability, through the Student Services office located at 757 W. 800 S., Cedar City, UT 84720, and by phone at (435) 586-2899. No diagnostic services are currently available through Southwest Technical College.

Safety and Building Maintenance: The College has developed and follows a variety of plans to ensure the safe and effective operation of its facilities and programs. The following plans are available online: 1) Facilities Operations and Maintenance Plan; 2) Technical Infrastructure Plan; and 3) Health and Safety Plan.

Withdrawals and Refunds: Please refer to the Southwest Technical College Refund Policy at: <https://stech.edu/students/policies/>

Any high school or adult student, who declares a technical training objective is eligible for admission at Southwest Technical College (Southwest Tech). Program-specific admissions requirements may exist and will be listed on the Southwest Tech website. A high school diploma or equivalent is not required for admission but is mandatory for students seeking Title IV Federal Financial Aid.

Non-Discriminatory Policy: Southwest Technical College affirms its commitment to promote the goals of fairness and equity in all aspects of the educational enterprise, and bases its policies on the idea of global human dignity.

Southwest Tech is committed to a policy of nondiscrimination. No otherwise qualified person may be excluded from participation in or be subjected to discrimination in any course, program or activity because of race, age, color, religion, sex, pregnancy, national origin or disability. Southwest Technical College does not discriminate on the basis of sex in the education programs or activities that it operates, as required by Title IX and 34 CFR part 106. The requirement not to discriminate in education programs or activities extends to admission and employment. Inquiries about Title IX and its regulations to STECH may be referred to the Title IX Coordinator, to the Department of Education, and/or to the Office for Civil rights.

If you believe you have experienced discrimination or harassment on our campus, please contact the Title IX Coordinator, Cory Estes: cestes@stech.edu, (435) 865-3938.

For special accommodations, please contact the ADA Coordinator, Cyndie Tracy: ctracy@stech.edu, (435) 865-3944.
